

A Time Set Aside

✝ Lent is a period of time, 40 days to be exact, that offers us an opportunity to come to terms with the human condition that we may spend the rest of the year running from, and it brings our need for a Savior to the forefront.

✝ Lent is a time to open the doors of our hearts a little wider and understand our Lord a little deeper, so that when Good Friday and eventually Easter comes, it is not just another day at church but an opportunity to receive the overflowing of graces God has to offer.

✝ Lent is an intensely penitential time as we examine our sinful natures and return to the God we have, through our own rebelliousness, hurt time and again.

✝ Lent is also an opportunity to contemplate what our Lord really did for us on the Cross - and it wasn't pretty.

✝ Ultimately, the purpose of Lent does not stop at sadness and despair, but it points us to the hope of the Resurrection!

From the Pastor

Next week we move into the season of Lent. This season calls us to reflect on our lives. In much the same way the secular world suggests making resolutions for the new year, Lent invites us to choose a practice to deepen our lives of faith. Each individual is encouraged to prayerfully consider how they miss the mark in their desire to follow the Way of Christ. They imagine what practice of fasting from undesirable actions might be needed. Or they choose to add a practice that will bring them closer to God through prayer, journaling, and self-care. What will you choose?

God calls us to love. This Lent let us remember the great commandment, Love God with all your heart, soul, mind and strength. Love your neighbor as yourself.

I invite you to consider the following practices for Lent available here.

1) **Pray for our church.** At the annual meeting we shared the leadership's recommendation to explore and revise our leadership structure. We are entering the process of looking at our founding documents, constitution and bylaws and imagining a new way of organizing the work of the congregation. We ask each member of the congregation to pray daily for our church and community. To that end, a **prayer calendar** is included in this newsletter. Keep it handy, on your dinner table, refrigerator, or beside your Bible and join your friends in praying each day for the work and ministry of our congregation.

2) **Reflect on the practice of nonviolence.** At the recommendation of the Spiritual Council, we will consider the Pledge of Nonviolence on Sunday, March 10. This practice is intended to give us tools for creating and maintaining caring and respectful relationships throughout our everyday lives. It addresses how we show respect for ourselves, other people, and nature in our language and actions at work and play.

In the coming months we will use this document to guide discussion of just and caring practices to guide our relationships with individuals and in community. It is recommended that the document be revisited each year, and we have chosen the First Sunday in Lent for our annual review which is also the Sunday the United Church of Christ observes as Racial Justice Sunday.

Along with the pledge you will receive a version that uses language for teaching the practice to young children.

3) **Special services and spiritual practice activities.** Join us for worship and times for reflection throughout Lent.

Ash Wednesday – Wednesday March 6 – 9 AM to 1 PM Ashes with Pastor Judy and 7 PM worship service will include a ritual of naming our intentions for lent, imposition of ashes, and communion.

Prayer Beads – Wednesday, March 20, 5 PM to 7-ish in the church Fellowship Hall. Bring your simple supper and learn about the many uses of prayer beads in various faith traditions. Then make your own according to Pastor Judy's design. I have been teaching this practice to groups for 15 years. Don't hesitate to come late if you work and are not available at the early hour. The activity will continue until all who wish to participate are "fed."

Labyrinth – Wednesday, April 3, 5 PM to 7-ish in the church Fellowship Hall. Bring your simple supper and learn about labyrinths in various cultures and faith traditions. Then walk the labyrinth or use a pencil or marker to follow a labyrinth drawn on paper. Don't hesitate to come late if you work and are not available at the early hour. The activity will continue until all who wish to participate are "fed."

Maundy Thursday, Thursday April 18, 6 PM in the church Fellowship Hall. Soup supper followed by Holy Week worship stations and communion service. Worship will begin at 7 PM.

Good Friday, Friday April 19, 7 PM. Worship in the Sanctuary.

4) Join us for **Book Club**. This spring during Lent, we will read and discuss *The Last Week: What the Gospels Really Teach about Jesus' Final Days in Jerusalem*. This book, written by Marcus J. Borg and John Dominic Crossan, will take us deeply into the meaning of Jesus' life, death, and resurrection. We will meet on alternate Mondays

Monday, March 11 – 7:00 pm – Preface and Chapters 1 & 2 – Palm Sunday, Monday

Monday, March 25 – 7:00 pm – Chapters 3 & 4 – Tuesday, Wednesday

Monday, April 8 – 7:00 pm – Chapters 5 & 6 – Thursday, Friday

Monday, April 22 – 7:00 pm – Chapters 7 & 8 – Saturday, Easter Sunday

5) Finally, if you are looking for something fun, try Lent Madness. In its tenth year, Lent Madness offers an opportunity to learn about the saints of all time and have fun while doing it. Check out the website. Sign up for daily reminders, read about the life and ministry of the saints moving toward the prize of the Golden Halo, and vote for your favorites. <https://www.lentmadness.org/>

Blessings on your Lenten journey.

As always a special thanks to each one of you for the superb work you are doing. As we say frequently, the congregation support is what makes this program so successful. That includes the transportation support. Family Promise of the Lehigh Valley celebrated with our first graduating family!! 65 days ago this family, a mother, father and two sons, came to us with no place else to go. They had been evicted from their apartment, as both parents had lost their jobs for various reasons. We are blessed to have met them and joined with them in their joys and sorrows over the past 65 days. One of the joys is that the family found out that they will be expecting an addition this summer...a baby girl!

Because ALL of you stepped up and said YES to this adventurous ministry, this family is now living in their own apartment and both parents are employed. Thank you does not cover it at moments like this...

Peace...Mattie, Social Worker for Family Promise of the Lehigh Valley

Here at UCCG, our Family Promise Host Week was rewarding! Our people arrived Sunday evening, 3 families that included 5 adults, 4 children and 2 teens at various times throughout the week. In spite of uncertainties with a day of snow and ice, all fared well and were safe in the storm. **Thank you to all the committed UCCG volunteers** that provided meals, slept overnight, spent evenings entertaining children and serving as a support to the families. During this week, there was good news that one of the men got a new job and another got a 2nd job so that his family will soon be moving on from the program. Valentine's Day was celebrated with decorating cookies and making cards, led by Pastor Judy and Sue Borger, especially a bit hit since schools were closed that day. On Sunday, February 17 as our folks left for the week, there were thank yous and appreciation, joy and friendship to wish them well in the future. There was still clean up, pack up, scrubbing floors and laundry to do, but isn't that all part of having guests for the week? The Coordinating Committee is evaluating our processes for improving the experience. **Our next Host Week is June 2-9, 2019 (Note: this is a different date from what was previously stated.)**

Family Promise Homecoming Event is Saturday, March 30 at St. Joseph the Worker Church – Please mark your calendar for this amazing event! UCC Daily Devotion for February 28, 2019

Homeless, by Donna Schaper

If I rise on the wings of the dawn, if I settle on the far side of the sea, even there your hand will guide me, your right hand will hold me fast. - Psalm 139:9-10

Lots of people are homeless, for real. Their belongings (what a strange word) are all in one bag. They sleep outside. Some are urban pioneers and sleep on church steps or under highways. They don't like shelters. They are shelter makers. Some have communities and know the schedules for the local soup kitchens. They rise at dawn. They head south in the winter. They depend on what can only be called the right hand of God.

Even more people are spiritually homeless. They/we have a bed and sheets. We wonder if we should declutter or if we have too many belongings. We wonder if we are taking proper care of the boiler or the gutters. We also rise at dawn and reach out for the right hand of the Almighty and wonder where it went.

Congregations are soup kitchens for the spiritually hungry. They are shelters for the spiritually homeless. Respite lodging for the people who are in need of respite. Domiciles for the spirit. Nests for the baby bird in all of us, no matter how old we are. Nursing homes for those who can't bathe or tie their own shoes any more. Rehab centers for those who should have done prehab but forgot. Habitats for humanity.

Life is one long displacement and replacement. Where did we put that belonging that mattered the most to us? Not our cell phone or our keys. The belonging that matters most is our belonging to that right hand, the One, habitually reaching for us.

Prayer

When displacement and replacement follow us around, make a place for us, Right-handed One.

Mission Ministry

3 GREAT LOVES

LOVE OF NEIGHBOR!

Buy a Share ... To Rebuild a Community

Have you considered what you’ll give up for Lent? Our mission in this congregation is to reach out to help others! Can we support a struggling community in Puerto Rico and do our share? Two members, Grant Field and Ben Gullidge, are going on a PNEC/PSEC mission trip to Puerto Rico to help rebuild the community of Luquillo near the Yunque National Forest, following last year’s devastation from several hurricanes. We can support them in this effort, by considering what we can “give up” for this mission during Lent, the perfect time for reflection. We’ll forego a second mission offering during worship in March.

To make it a little more fun, we will build houses on the back wall of the sanctuary using removable “puzzle” pieces, each representing a “share” of the work Grant & Ben will perform. The “shares” for purchase will be in various increments so that you can select your share as part of the mission project. Our hope is that by the end of the Lenten season, we will have “given up” enough support to pay the balance of their trip, totaling \$1000.

Buy a Share ... To Rebuild a Community

OGHS - How can one person change the world?

Sponsor a child . . . Plant a tree . . . Rebuild a home . . . Visit a prisoner . . . Be a mentor . . . Teach . . . Serve a meal . . . Bring water to the desert . . . Pray . . . Donate . . . the opportunities are endless. And they're all right here. What part of our world is waiting for you to make a difference?

One Great Hour of Sharing is the annual Lenten offering of the United Church of Christ that supports disaster, refugee and development activities for people in need - locally, nationally and globally. Information flyers and envelopes will be provided in the bulletins. The Second Offering in April will support OGHS.

West Virginia Mission Trip is in the planning stages for 2019!

The Mission Team is once again promoting a second mission trip to West Virginia. It was a great experience in 2017 and due to our generous congregation you have already funded another trip. West Virginia is a 5-6 hour drive from UCCG, so we will carpool together. The cost is \$50 per participant for housing.

The location is being researched through UCC Disaster Ministries, but there are still 400 homes on a list that need repair and rebuilding after a "100 year" flooding occurred in this mountainous region. If you are interested and would like to experience a week of hands-on mission, please contact Grant or Donna Field at 610-395-0821. We are awaiting confirmation at this time, but possible date is end of September, maximum 12-15 people.

From the Greater Valley YMCA, Allentown Branch - thank you for your generous donation of \$608.25 in support of the Warming Station!

From Zion's Liberty Bell Church – thank you for your generous contribution of \$540 to the Jubilee Breakfast Ministry to the Homeless.

From Phoebe Ministries – thank you for your congregation's gift to Phoebe. Because of your generosity, Phoebe is able to meet the needs of older adults through diverse residential options, comprehensive care, and exceptional educational programs.

HANDS ONLY CPR

Saturday, April 6th – 10:00 am to Noon
Upstairs Conference Room

This is an opportunity to get familiar with Adult Cardiopulmonary Resuscitation (CPR) with no need for mouth to mouth contact. No certification received – for information and personal use only. Any questions, contact Chris Gilmore at 610-434-9705.

Wise Words

It takes less time to do the right thing than to explain why you did it wrong.

PNEC Spring Meeting is Saturday, May 4 (location TBD)

Our church needs a delegate to attend and to vote on behalf of our congregation.
Contact Mark Griffith or Donna Field for information.

Our Penny Party was a huge success . . . but it's not over yet!

Thank you to everyone who helped in any way for this event - if you gave donations, baked a cake, set tables/chairs, were a runner, cashier, a penny counter, or kitchen crew, and behind the scenes! Or if you just came to play, you were a very important person and we **thank you!**

A profit of \$1,344 was realized, 10% going to our mission emphasis for the year, with \$1,209 deposited into our Operating Fund.

Please join us on Saturday, May 11th at 9:00 am for the Penny Party Wrap-Up!

The numbered tickets need to be sorted and boxes prepared for next year. The morning includes a continental breakfast and any age is welcome to come, as long as you are able to count to 10. Time commitment is approximately 2-3 hours.

A Note from Carla Lindenmuth: Carla is looking for a few photos of the sanctuary and fellowship hall when it's set up for rental events. Does anyone have photos they're willing to allow Carla to share on our website? Please contact Carla at Carla Lindenmuth (ctlindenmuth@protonmail.com) and let her know. Thanks.

100TH ANNIVERSARY CANVAS – would you like to help complete the 100th Anniversary canvas that's hanging in the narthex? For a \$20 donation, you may design your own square to help complete this project. You can do the artistry yourself or we can draw it for you – a picture, a quote or a simple message of positivity. We've named this project – TEAM POSITIVITY. Paper squares are available in the narthex near the canvas to use for sketching out your ideas. Please pass them on to Annette Fatzinger or Sue Borger with your \$20 contribution. All donations will be designated to help pay down the Fellowship Hall floor balance. Thank you!

Thought for the Day

"The lesson I want you to learn is that it doesn't matter what you look like, tall or short, fat or thin, ugly or handsome like your father. You can be black or yellow or white, it doesn't matter – what does matter is the size of your heart and the strength of your character."

Herman Munster, The Munsters CBS 1965
